What's New in the World of Workers' Compensation Wednesday, April 20th, 2016 NYSUT Conference Center, 30 North Union Street, Rochester NY 14607 Registration & Networking: 7:30am - 8:00am Program: 8:00am - 10:00am Presented by Monica Manske, Manager, WC & Team Member Safety, Rochester Regional Health System. Sponsored by Marsh USA This program is hosted by GVC SHRM! The program has been pre-approved for 2 PDCs by the Society of Human Resource Management and 2 recertification credits the HR Certification Institute. The NYS Workers' Compensation is ever changing in 2016. Attendees will learn how the technology age at the WC board impacts them as HR professionals supporting their individual organizations. We will review payor compliance laws and the processes that employers will need to focus on and an overview of the new proposed schedule loss of use regulation and the impact of successful return to work programs within the parameters of the new guidelines and how it integrates with LWEC (Loss of Wage Earning Capacity) and what will be needed from them as the employer contact. Finally, we will review some of the best practices that employers can do to avoid or mitigate their workers' compensation exposure. By the end of this session, participants will:

- Understand the current state of the State in workers' compensation.
- Be able to understand the newly implemented Payor Compliance principles
- How a successful return to work program will impact their day-to-day business needs and its importance within the newly proposed schedule loss of use guidelines.
- Review their current practices against evidence based best practices in risk avoidance.
